Spring Chancel Flowers

Help create a beautiful symbol of spring and rebirth at UUCW – make a donation for a spring flowering plant.

The chancel table team will do the shopping and assemble a beautiful chancel table for Sunday, April 12th – then you may take the flowering plant home after the service. With your donation, you can honor someone special with a mention in the order of service.

**Requests must be received no later than March 21st.**
Please indicate the which flowering plant in the form below. Make your check payable to UUCW and please write “Spring Flowers” in your check memo. Attach the payment to this form and place in the Worship Ministry Team mailbox.
