Chalice Lighting "A People of Liberation" – The Rev. Suzelle Lynch *Please join us by lighting your own chalice at home. Send a photo to kellyb@uucw.org*

Liberation means releasing ourselves from outgrown habits of mind and heart.
It means upholding the voice and vote of citizenship,
affirming freedom of belief and expression,
and answering the call of justice --
because we know that none of us are truly free until all of us are free.
May the light of this chalice inspire us
and urge us toward greater love, and greater liberation.
