3. **Chalice Lighting: We are a People of Healing** – Pascale Engelmajer & Max Rondolino
To be alive is to be hurt – and thus we all need healing.
Healing another means easing their pain, spending time tending their wounds;
helping them move toward wholeness.
Healing ourselves means honoring our pain, asking for help,
and letting ourselves rest, so that we, too, might move toward wholeness.
We light this chalice for the gentle giving and receiving of Healing.
4. **Hymn #123 – Spirit of Life** by Carolyn McDade; performed by Jen Nicolosi, Lead Music Director;
