*(Please read along, and if you are joining us at home, feel free to kindle your chalice or candle.)*

Curiosity is an everlasting flame that burns in everyone's mind...  
Curiosity is the passion that drives us through our everyday lives...  
We have discovered so much about the world, but still so little.  
We will never know everything there is to know,  
but with our burning curiosity, we have learned so much.  
We spark our curiosity together.
